Fulltime Medical Esthetician Opening

We are searching for the right esthetician to join the growing team at Ageless Remedies. It's a new beautiful med spa at the intersection of Windward and North Point Parkways, immediately east of GA 400. If you have 3+ years of esthetics plus laser experience (or a desire to enter advanced esthetics with lasers), contact us. We carry 14 different medical skin care lines. Our services range from 8 different facials, microdermabrasion, numerous peels, IPLs, laser hair removal, the revolutionary ISOLAZ, Candela Gentleag for skin tightening, vein treatment and more. We have PAs doing injectables and ongoing training to improve all we offer.

Our best candidate has strong people skills and understands building relationships. They provide solid TLC treatments and can make recommendations for in-home products. They are familiar with our product lines or willing to learn. They presently live in or are working in North Fulton.

This is a fulltime position for 30 - 35 hours a week.

- Compensation: \$15 per hour plus commissions on services and products!
